QUESTIONS OF THE WEEK

FIRST READING ACTS 1:15-17, 20a, 20c-26
We learn how Peter and the apostles prayed for guidance from the Lord in choosing the right successor to Judas. What difficult decision in your life could you turn to the Lord for help in deciding?

SECOND READING 1 JN 4:11-16
John teaches us that God’s love remains in those who acknowledge that Jesus is the Son of God. When are you most comfortable sharing your faith with others?

GOSPEL READING JN 17:11b-19
Jesus prays to the Father to keep his followers united in faith, protected from the evil one, and consecrated in the truth. Have you ever thought that Jesus actually prays these things for you? ©LPi

**LIVE THE LITURGY
INSPIRATION FOR THE WEEK**

In his prayer to the Father, Jesus says it aloud to remind us, always and forever: if we belong to Him, we belong to the truth. Lord, may those words ring in our ears as we go into the world as Christ taught us. We are consecrated to the truth. ©LPi

DO WE HAVE YOUR CORRECT EMAIL ADDRESS?

In the near future All Saints Parish will be communicating with parishioners through email as we share prayers for our Pastor, Fr. Greg Passauer, for his surgery at the end of May and his recuperation away from the parish.

A “test” email will go out this week to the email addresses we have on file for your family. Please answer the email letting the parish office know that this is the correct email for you. If you would rather have it sent to a different email address please let us know.

If the parish does not have an email address on file for you, there will be a list in the gathering space with your names and a “tear off” for you to take home and send an email back to the parish office.

If you do not have an email address or prefer to get this information by “snail mail” (USPS), please call the office, (814-796-3023, mornings) with that preference.

The “Capital Campaign” which began in 2019 to help fund major expenses in the parish will end in December of 2024. Money collected stays right here in our parish.

The security and fire protection systems were funded through this campaign. Future major expenditures may include resurfacing of the driveway, heating and cooling system upgrades, and other significant projects that our parish plant may need. Please consider contributing to the “Capital Campaign” using the monthly envelope or the online giving option. As always, your generous support of All Saints Parish is greatly appreciated.

Be cautious about sharing personal information

A scam is being perpetrated across the country by malicious individuals preying on churches and members of the clergy. The scam plays on your sympathies or natural inclination to be helpful. Any communication asking you to purchase gift cards should be considered a scam. Always verify such requests by calling the parish directly. Don’t use phone numbers in the fraudulent email. Always look for the parish’s official phone number found on the diocesan website or in the parish’s Sunday bulletin. In this age when personal data can be misused by scam artists, please be aware that the Roman Catholic Diocese of Erie, its clergy and entities such as parishes and schools will never solicit your personal or business information by any method unless initiated by you. Should you receive an unsolicited request for money or personal information — including a request for gift cards of any type — exercise extreme caution. Contact the person or entity by using official contact information only. Financial fraud like the gift card scam can be reported to the Federal Trade Commission here: <https://ReportFraud.ftc.gov>. To learn more, read this article: <https://consumer.ftc.gov/articles/avoiding-and-reporting-gift-card-scams> from the FTC.

Child Protection and Creating Safe Environments-

Digital Safety and Your Child: If your child gives out personal information while online, it is easy to track and tough to completely remove. Teach your child to never share personal information such as full name, address, phone number, email, school, or birthday on any social media site. Teach them to never give anyone their passwords. Help your child set up strong passwords and do a yearly checkup on them. Adjust privacy settings for online games, apps, social media sites and your child's electronic devices. Don't forget to check the GPS settings ability to unintentionally share your child's location. Avoid using public wi-fi when sharing personal information.
